

Do you want to let go of the past?

Then join us for a wonderful Radical Forgiveness Ceremony*

Based on a Native American Healing Circle Ceremony, this largely non-verbal process preserves privacy and anonymity, yet has proven to be extremely powerful and effective in allowing people to forgive themselves and others, and to find peace and happiness.

We walk the circle once to silently honour and witness our 'story' of what happened. As we see others walk too, we realise we are not alone, and we honour their pain. After hearing a special Radical Forgiveness story, we walk the circle again and ask inwardly to come to a new place of forgiveness and peace. And it works! People leave with tears of joy and smiling faces.
